The western edge of the fire continues to slowly back west ward along the southern ½ of the fire. The Goat fire was showed signs of life yesterday down in canyon but grew only 4 acres. A coordination call with both the Salmon-Challis and the Bitterroot NF's was held yesterday with Fire Managers and Line Officers to discuss the plan for the river corridor protection. It was decided that to keep the operational temp at an acceptable level we would start the protection preparation within the corridor this weekend; as it will take about 4-5 days to complete with the ordering, delivery and implementation. We anticipate the fire activity to increase on a daily basis through at least Tuesday until the next possible chance of moisture. • Political Issues / Community Meetings: NONE • Closures / Evacuations / Public Safety Issues: <ul style="list-style-type: none"> ○ Area closure with the FCRONR Wilderness • Major Safety Concerns / Injuries / Accidents : <ul style="list-style-type: none"> ○ Crews are working in areas which we need to rely on |
